Albion Park

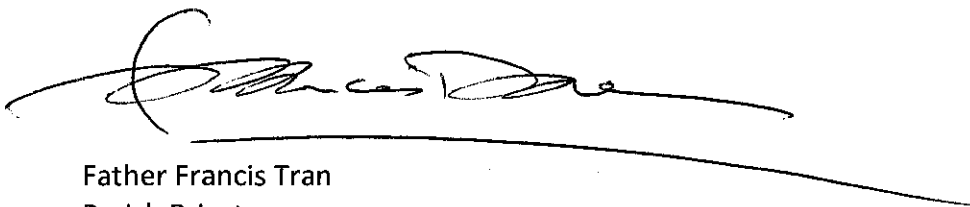

Dear Mrs Wilson

On behalf of the Pastoral Council of St John's Dapto I wish to thank your school for the support provided to our Multicultural Celebration on Sunday 24th November. The day was a great success.

The delivery and loan of tables greatly assisted on the day as did the group of volunteer students who assisted with the face-painting. The students were great ambassadors for your school.

Christmas Greetings to you and the entire community at St Joseph's Albion Park.

Yours sincerely,

Father Francis Tran  
Parish Priest
