Dear Principal,

Due to potential safety issues being experienced within the school bus network operated by Premier Illawarra, changes have been made to the current timetable of services to school bus **S190**.

S190 is being rerouted out of Nth. Macquarie Rd. due to the necessity of traveling through a causeway that is subjected to closure due to flooding. Buses will instead travel through Escarpment Dr, Connection Rd. Roundabout to Tongarra Rd.

The attached document lists the timetable changes which come into effect from **Tuesday, January 28th 2020**.

Effective immediately Premier Illawarra would appreciate if you could advise your school students | parents | guardians of these changes.

Yours sincerely,
